

JUST 
BOOTH

Your first step to
a world of silence and focus

**JUST
4YOU**

People talking and laughing, machines running, phones ringing, doors slamming. Background noise is becoming an increasing concern for those who want to work efficiently. Sounds familiar?

THAT'S WHY WE HAVE CREATED THE

JUST BOOTH

JUST SIMPLE

We believe that the simplest solutions are the best. Justbooth is constructed from simple elements.

JUST SILENT

We believe that everyone deserves a calm working atmosphere. That is why we have created an affordable solution, which will guarantee the highest comfort of acoustics and will fit into every office.

JUST EFFICIENT

We know that proper air circulation ensures well-being and clarity of mind. Effective ventilation of the JUSTBOOTH pod means constant comfort and access to fresh air.

JUST UNIVERSAL

Simple and casual design will look good in any room. It is possible to personalise the order. You can choose the external colour of the booth and the colour of the upholstery inside.

JUST CONVENIENT

The interior of our booth was designed with precision and attention to every detail. The ergonomic table has an optimal size, suitable for work on a laptop or tablet. It is equipped with special holders for video conferencing accessories. The power outlet guarantees a constant supply of energy.

JUST EXPERIENCED

We've grown from the six years' experience of Hushoffice – a premium acoustic pod brand which is already known in more than 40 countries worldwide. We've used all the know-how and best practices of Hushoffice to help you find your inner peace while working at the office.
