

Evluent Vertical Mouse 4

Small Wireless Right Hand

Relax your wrist

The patented shape of the Evluent Mouse supports your hand in an upright neutral posture that generally avoids forearm twisting.

Now supporting smaller hands

The Evluent VerticalMouse 4 Small is for hands less than about 7 inches or 178 mm long from the tip of the middle finger to the wrist crease.

Comfortable and easy to use

Pointer speed indicators

The shape is thoughtfully sculpted for uncompromised comfort and easy-to-reach programmable buttons. No finger contortions are needed to operate the buttons.

Top mounted LEDs show through the chrome thumb rest to indicate selected pointer speed including extra low (XL), low (LO), MD (medium), to high (HI).

Powerful and intuitive driver

Adjustable optical sensor

Evluent Mouse Manager for Mac provides extensive but easy to use functionality for 6 buttons through a simple and intuitive interface.

Pointer speed controls on the side allow convenient adjustment without even releasing your grip from the mouse.

Two thumb buttons

Bluetooth connectivity

A new bottom thumb button provides greatly extended functionality when used with the included driver.

Connects to Mac systems via Bluetooth.
