

Family Pillow

High quality pillow designed for kids & adults that prefer a lower pillow.

Eggfoam Topped Pillow.

Top layer of supreme comfort 'eggfoam' designed to diffuse pressure on the neck and maintain the alignment of the spine during sleep.

100% Premium Foam Made in Australia.

Utilising world leading foam production VPF Technology. Exceeds all Australasian & Global Environmental Regulations.

Two part construction.

Base of heavy duty premium grade foam – which cushions and absorbs movement. Top layer of eggfoam to diffuse pressure on neck.

Contoured Pillow.

Family pillow's mild contour provides gentle support, cradling the head and neck evenly to encourage the natural curvature and of the spine.

Sleep Safely & in Good Health.

Our foams contain no heavy metals, no toxic compounds and no CFC's.

Air Flow Stimulation.

Open cell foam structure prevents air stagnation in pillow. Channels in surface of pillow encourage air circulation.
