SEATING SERIES

Libra Cushion

Fluid Sac:

- Dual layer, sealed compartments for maximum protection around boney prominenes.
- Non-temperature sensitive, no kneading or maintenance required.

Foam base:

- High resilience foam made with Ultra-Fresh™ anti-microbial and odour protection.
- Ab/adductor contour promotes comfortable midline leg positioning
- Pre-ischial contour prevents sliding to reduce shear
- Trochanteric shelf promotes level pelvis and lateral stability
- Waterfall front edge and extended rear cushion radius

Cover:

- Moisture resistant, high stretch, breathable Startex™. Hook and loop fastener strips, lifting strap and convenient zippered side pocket.
- Inner platilon liner provides extra lay of moisture protection.
