KYMCO MINI COMFORT

PORTABLE PULL-APART MOBILITY SCOOTER

This Mini Comfort is a portable pull-apart scooter that features LED lighting, front and rear suspension and a narrow, lightweight frame. Thanks to its slim frame, front & rear suspension and padded seat, the Mini Comfort is well suited to both indoor and outdoor use on most surfaces. It can easily be dismantled into five easy to manage parts, which makes it ideal for transport in the boot of your car. It also now available with a lithium battery option which helps reduce the overall weight.
