## Features

Our attendant propelled tilt-in-space shower commode chair is designed to make bathing and showering comfortable and safe for users. Featuring a powder-coated lightweight aluminium frame, it is highly portable and easy to manoeuvre. Padded backrest, armrest and seat areas, along with height adjustable headrest, mean that this chair will suit the needs of most clients. The tilt-in-space function is easily controlled with the rear grab handles.

- Gas-assisted tilt-in-space function
- Large rear-locking castors
- Fold-up padded armrests
- Fold-out footplates
- Full adjustability - backrest is height adjustable
- Footplates are length adjustable and removable
- Height adjustable and removable headrest
- Seat can be removed for easy cleaning
- Pan is included, easy to install and remove
