SOLAX ACCESSORIES

1	SOLAX LOCKABLE HARD CASE	Protective hard case for solax scooters which features some light padding inside with a hard plastic exterior. It also features a locking mechanism, 4 castor wheels and weighs just 8.9kg.
2	SOLAX COLLAPSIBLE FRONT BASKET	Attaches to the front tiller of the scooter via a mounted bracket. Ideal for carrying personal items when using the Solax.
3	SOLAX DOCKING STATION (GENIE, MOBIE, CHARGE, TRANSFORMER)	Allows you to charge the battery when removed from the scooter.
4	SOLAX DOCKING STATION (MALETA)	Allows you to charge the Maleta batteries when removed from the scooter.
5	SPARE SOLAX BATTERY 10AH 24V	Spare battery to suit the Genie, Charge, Mobie & Transformer.
6	SOLAX SIDE/REAR BAG	Carries up to 4kg and slides onto scooter armrests or slings over the seat backrest.
7	SOLAX BATTERY CARRY BAG	Designed to carry a spare solax battery.
8	SOLAX CLIP-ON MIRROR	Clips onto the scooters handle bars for increased visibility when reversing.
