

HÅG FUTU MESH 1100-S

The HÅG Futu mesh 1100 has a breathable transparent backrest, keeping your back cool via constant ventilation. It features our latest HÅG in Balance® movement mechanism, which keeps you in continuous balanced movement. A fully functional lumbar support is optional, as are height and width-adjustable armrests. Our uniquely designed FutuKnit™ mesh fabrics have been technically developed to retain their tautness and are available in seven appealing colours.
